ABOUT US

Real school information, shared by parents.

OpenClass began with a simple frustration: up-to-date information on Zimbabwe's schools was almost impossible to find.

Many schools have no website, and those that do rarely keep them current, so parents relied on word of mouth for one of the biggest decisions they make. We built OpenClass as a school directory that is researched continuously and crowdsourced from parents.

Today it is one of Zimbabwe's most comprehensive education resources: school profiles with parent reviews, eMAP application help, tutors, classifieds, intakes and free guides like this one.

How this eBook works

54 Catholic schools in two groups: high schools, then primary and prep schools.

Catholic-run schools are a fixture of the ZIMSEC O- and A-Level top 100. This edition adds Catholic primary and prep schools, from mission primaries such as Driefontein and Mt Melleray to Hartmann House in Harare.

1. **Browse**
   Schools are listed alphabetically within each group. Each card gives you the essentials at a glance: location, church or government, fees and pass rates.

2. **Shortlist**
   Use the contents page to compare fees side by side and jump straight to any school.

3. **Go deeper**
   Tap any card to open that school's full profile on openclass.co.zw.
