ABOUT US

Real school information, shared by parents.

OpenClass began with a simple frustration: up-to-date information on Zimbabwe's schools was almost impossible to find.

Many schools have no website, and those that do rarely keep them current, so parents relied on word of mouth for one of the biggest decisions they make. We built OpenClass as a school directory that is researched continuously and crowdsourced from parents.

Today it is one of Zimbabwe's most comprehensive education resources: school profiles with parent reviews, eMAP application help, tutors, classifieds, intakes and free guides like this one.

How this eBook works

26 Seventh-day Adventist schools: high schools first, then primary schools.

Adventist schools combine academics with a strong Christian ethos, Pathfinders and practical skills. They range from low-cost rural boarding schools in Matabeleland to private colleges in Harare and Gweru.

1. **Browse**
   Schools are listed alphabetically within each group. Each card gives you the essentials at a glance: location, church or government, fees and pass rates.

2. **Shortlist**
   Use the contents page to compare fees side by side and jump straight to any school.

3. **Go deeper**
   Tap any card to open that school's full profile on openclass.co.zw.
