ABOUT US

Weekly boarding, all in one place.

Weekly boarding is rarely spelled out on school websites, so we searched every OpenClass profile for it and listed the weekly-boarder fee wherever a school publishes one.

OpenClass began with a simple frustration: up-to-date information on Zimbabwe's schools was almost impossible to find.

Many schools have no website, and those that do rarely keep them current, so parents relied on word of mouth for one of the biggest decisions they make. We built OpenClass as a school directory that is researched continuously and crowdsourced from parents.

Today it is one of Zimbabwe's most comprehensive education resources: school profiles with parent reviews, eMAP application help, tutors, classifieds, intakes and 30+ free eBooks like this one.

How this eBook works

16 weekly boarding schools: high schools first, then primary and prep schools.

Weekly boarding gives children the routine and support of boarding school while keeping weekends at home. Most weekly boarding schools are private primary and prep schools in and around Harare. Where a profile gives a weekly-boarder fee, the card shows it; older figures are marked with their year, so confirm current fees with the school.

1. **Browse**
   Schools are listed alphabetically within each group. Each card gives you the essentials at a glance: location, church or government, fees and pass rates.

2. **Shortlist**
   Use the contents page to compare fees side by side and jump straight to any school.

3. **Go deeper**
   Tap any card to open that school's full profile on openclass.co.zw.
